Applications are now open for

Orion Center Research Scholarships

The Orion Center invites scholars and graduate students to submit applications for its research scholarships, for the academic year 2023/2024. The scholarships are for research on the Dead Sea Scrolls and associated literature in all relevant disciplines. We particularly encourage integrative studies involving the Scrolls and other aspects of Second Temple studies. Preference will be given to junior scholars (M.A. students in the process of writing the thesis, Ph.D. students, and postdoctoral students).

Research connected with the scholarship must be carried out in Israel. Scholarship recipients should plan to spend at least a month in Israel. They will be associated with the Orion Center and participate in Center programs; they will present their research in an Orion Center Scholars' seminar. The amount of the grant will be **up to \$4000**.

Deadline: **May 15, 2023**
