## Orion Center Research Workshop in Danielic Literature:

# Susanna and the Elders

Wednesday, March 22, 2023

Please click on the presentations to navigate to the video

*Susanna and the Elders* is a narrative extant in the Greek versions of the book of Daniel. While raising a range of philological challenges regarding its original language, social milieu, and textual transmission, it also offers a fascinating insight into the cultural, legal, and gender concerns of Jewish society of the Second Temple period.

This research workshop brings together five scholars from Israel, France, and Germany, for an in-depth discussion of the narrative from diverse perspectives.

16:00–16:25 | **Gathering**

16:25 | **Opening**

Chair | **Orit Malka**

Department of Talmud and Halakha &  
Faculty of Law, Hebrew University

Opening Remarks | **Noam Mizrahi**
